

We're Hiring a Tax Manager!

Job Overview:

We are NOT your typical Accounting Firm... this is a fun team dedicated to balancing the needs of our clients and our employees for sustainable and successful business!

Do you want to be part of a client-oriented accounting team? Are you ready for the challenges of working within a fast-evolving vertical within a close-knit, high-functioning department?

Indiva Advisors is committed to delivering quality in assurance, tax and advisory services. We are seeking an experienced, curious, analytical Tax Manager who will play an important role in our expanding 280e specific Tax Practice. The Position can be done remotely and includes a generous Employee Value Proposition (comprehensive benefits package, support for flexible work, generous PTO, Paid Holidays, and support for work/life balance as you define it.) We are inclusive and team-oriented while remaining focused on goals.

Position Description

POSITION DESCRIPTION

As the Tax Manager, you will be responsible for ensuring a company's compliance with all applicable federal, state, and local tax regulations. A primary job duty will be preparing taxes, such as quarterly and yearly returns and payables or estimates and overseeing the work of junior tax personnel.

As the Tax Manager, you will be overseeing all audits, establishing and employing methods to streamline tax preparation, and staying abreast of recent tax laws and educating management on their impact on the company. You will be tasked with staffing the tax department, which involves screening, hiring, and training employees. Responsibility for liaising with an outside accounting firm during the tax preparation process. As a tax manager, you must be able to identify work practices or processes that may put the company at risk for tax liabilities.
